Come Outside & 525-PLAY

2012 Programs, Activities & Events Guide

We strive to provide high quality recreational activities for our residents and community and we are excited to offer a wide variety of programs and events for people of all ages and abilities.

Online Guide of Kenton County Programs, Activities, & Events!

KCP&R offers many programs, activities, and events and we hope you will enjoy them all! Hey, just take a look at the Guide ~ you're sure to see something you'll want to try, including programs offered by The Golf Courses of Kenton County! Bookmark this site so you can visit online again and again! We'll continue to add new events (and complete the ones already shown) as we go! Most of our programs are free to attend and enjoy but where you see (\$), there will be a cost associated for you to participate. Please call (859) 525-PLAY for details!

Be sure to check into Wild Wednesdays!; (Almost) Every Other Thursday Science; Northern Kentucky Senior Games ~ Winter and Spring Editions; Pitch, Hit & Run; Recreational Softball Leagues ~ Monday Men's Church and Friday Women; Worlds Biggest Disc Golf Weekend; High School Disc Golf Championships; and Punt, Pass & Kick! Enjoy Star Gazes; Kids Fishing Derby; Kick-Off To Summer Party; Haunted Halloween Trail; Great Pumpkin Races; and Letters To Santa ~ Letters From Santa!

For Wild Wednesdays! and (Almost) Every Other Thursday Science be sure to look for pre-program start times ~ either 9:30 or 9:45 am. Our pre-program and post-program guests include Kenton County Public Library ~ Durr and Erlanger branches (KCPL); Lee Strohm from Homeplace Farm (HF); Dominach's Taekwondo Academy (DTA); Usborne Books (UB); Dan Evans from the Kenton County Animal Shelter (KCAS); and RiverWorks Discovery (RWD). Still working on; **American Red Cross (ARC); Northern Kentucky Health Department (NKHD); Kenton County Alliance (KCA); Cincinnati Children's Outpatient Northern Kentucky (CCONK); and Ohio River Valley Water Sanitation Commission (ORSANCO)!**

Lunch Partners? We're still looking for Lunch Partners for the 13 weeks of Wild Wednesdays! at Middleton-Mills Park. Surely, we will find partners for at least some of those weeks but for those weeks when we cannot, Snappy Tomato Pizza ~ Independence (AGAIN) and now Subway ~ Independence have each graciously agreed to help us with greatly discounted rates so we can continue to offer lunches for \$1 or \$2 per person!

Lunch Partner Announcement! Snappy Tomato Pizza ~ Ft. Wright has AGAIN offered to provide free pizza snack lunches following all 7 weeks of (Almost) Every Other Thursday Science at Pioneer Park! We are grateful! You'll see STP on each of the (Almost) Every Other Thursday Science dates!

And, don't forget our environmental commitments and alignments: Great Backyard Bird Count; Sugar Camp ~ Makin' Maple Syrup; Northern Kentucky Bluebird Trail; Reforest Northern Kentucky; Great American Clean-Up at Doe Run Lake & Nature Trail; Great Outdoor Weekend; and the Banklick Creek Clean-Up.

We collect donations of non-perishable food and personal care items!

Nearly all of our programs, activities, and events are free for you to attend and enjoy. We do, however, collect donations of non-perishable food and personal care items for Senior Services of NKY. Please remember to bring a little something to share. Your donation will go a long, long way right here in our community!

What's Happening in Kenton County's Parks by e-mail? Would you like to receive an e-mail update of our once-a-week 'What's Happening in Kenton County's Parks'? What's Happening will provide you with advance notice of all KCP&R programs, activities, and events and will include some of those with which we are in some way affiliated, or we feel may appeal to your sense of adventure, or be right up your alley! Then, get out there! Invite someone along! Bring a friend! Enjoy!

Pass the word! See you there! HERE WE GO!
