

# For the Common Good: Public Land Management

## Topics include

- Conservation Planning - where problems meet opportunities.
- Natural area management - forests and other habitat improvement, dealing with invasive species and eroded & over-used areas.
- Managing natural resources in natural areas and sports & play complexes.

## Featured Speakers

- Joyce Bender, Ky. State Nature Preserves Commission
- Steven Gay, Boone County GIS Services
- Clay Smitson, Ky. Dept. of Fish and Wildlife Resources
- Ariel Sewell & Chris Scott, Ky. Div. of Forestry
- Mark Jacobs, Boone/Kenton Conservation Districts

**Thurs., May 21, 2009**

**1:00 - 4:00 p.m.**

**England/Idlewild Park, 5550 Idlewild Road, Burlington, KY**

Sponsored by Boone County Conservation District

RSVP by Tues. May 19, 2009
