Re: **FY21 Police Department Fleet – Replacement Vehicles**

Please find attached a schedule of Police Department replacement vehicles for FY21 (Program Year Five).

The following recommendations are the product of a collaborative effort with the Police Department to establish replacement vehicles that most appropriately fit their needs.

We recommend that the Fiscal Court approve the purchase of the listed vehicles, each for a cost not to exceed the budgeted amount for that vehicle.

If you have any questions, please let me know.
