Re: Fire District CARES Act Support

In following with Kenton County's efforts to support agencies that suffered financially from the COVID-19 Pandemic, I recommend payment be authorized to Elsmere Fire District in the amount of \$12,330.86 and to Piner-Fiskburg Fire District in the amount of \$2,264.09 for increased out of pocket expenses directly related to COVID-19. These expenses have been verified and are not reimbursable to the fire districts through any other source. These payments are authorized under the CARES Act and are an allowable expense of the County's CARES Act funds.

Respectfully,

Roy D. Cox
Treasurer
