

**COMMONWEALTH OF KENTUCKY
COUNTY OF KENTON**

QUIETUS

Known all men by the presents:

Charles L. Korzenborn, Sheriff of Kenton County, has presented his records of state, county and local property tax collections, exonerations, and other information necessary to satisfactorily explain his collection efforts.

Let it be known that these records have been examined by a qualified representative of the Kenton County Fiscal Court and found to be correct and in order. All property taxes for the year 2020 collected from July 2020 through June 2021 have been accounted for and we now issue this quietus. This quietus specifically excerpts all errors not capable of being ascertained by examination of the tax records provided: and the amounts accepted as being correct are subject to adjustment based upon later detailed audit that will be conducted by the State Auditor's Office.

Dated at Kenton County this _____ 13th _____ day of _____ July _____, 2021.

Kris Knochelmann
County Judge Executive
