Dear Property Owner(s):

Re: Renewal of Expiring Lease Agreements

On or before June 30, 2022, the final extension of your lease agreement will expire. Provided a satisfactory agreement can be reached, the occupying agency desires to remain at this location. The easiest way to handle this, with your agreement, is to renew the lease at the present terms and conditions. For renewal instructions, please see section "A". If you intend to seek a rental increase, please see section "B".

A. Renewal at the Same Terms and Conditions Execution of a lease renewal document extends your current lease contract at the same terms and conditions for an additional year(s). The required document is enclosed along with a return envelope. If you wish to renew at the same terms and conditions, please read the accompanying instruction sheet carefully before signing the contract. When completed and signed by all parties it will serve as the lease renewal document. A fully executed copy will be returned for your records when all necessary signatures are applied.

B. General Procedure if a Rental Increase and/or Termination of Lease is Requested  
Please refer to the "Statement of Intention Concerning Lease Renewal". Please indicate your intent by checking either item "B" or "C", sign the statement, and return the form to the Division of Real Properties in the enclosed return envelope. Please include the lease PR number and county as noted on the form.

Should you request a rental increase, an Invitation to Lease may be posted in order to allow for evaluation of other suitable property in the area which may be available for lease. Subject to the discretion of the Finance & Administration Cabinet, potential replacement space available under applicable provisions of KRS 56.805 and KRS 56.813 may also be considered. If an Invitation is posted, you must respond to the Invitation in writing in order to have your property considered for lease. Failure to respond as specified in the Invitation will prevent us from providing further consideration to your property in accordance with KRS 56.803.6.

The process of awarding any new lease agreement subject to an Invitation will conform with statutes applicable to that type of lease project. Specific information concerning Invitation to Lease projects, including criteria for lease evaluation, may be found in Chapter 56 of the Kentucky Revised Statutes under Section 803. The Kentucky Revised Statutes may be accessed at [www.lrc.ky.gov](http://www.lrc.ky.gov).

C. Additional Information As part of a life safety and ADA accessibility program, most leased properties are inspected by the State Fire Marshall, the Kentucky Division of Building Codes Enforcement, and/or local code enforcement authorities for compliance with applicable requirements. Inspections of leased properties generally occur prior to occupancy and may reoccur at any time during the term of occupancy. If deficiencies are cited, the property owner must promptly correct all cited deficiencies.

## LEASE RENEWAL CONTRACT Instruction Sheet

In an effort to simplify and expedite the lease renewal process you will find attached a *Lease Renewal Agreement* for your lease with the Commonwealth of Kentucky. Please note: **THIS DOCUMENT IS YOUR LEASE AGREEMENT FORM.** PLEASE FILL IN THE BLANKS ONLY WHERE INDICATED AND DO NOT WRITE IN ANY INFORMATION OTHER THAN WHAT IS REQUIRED. DOCUMENTS THAT ARE ALTERED CANNOT BE PROCESSED. IF THERE ARE ERRORS ON THE RENEWAL DOCUMENT (I.E., SQUARE FOOTAGE, RENTAL RATE, ANNUAL RENT, ETC) PLEASE RETURN THE ORIGINAL FORM TO OUR OFFICE WITH CORRESPONDENCE DESCRIBING THE ERROR(S).

Following the directions below, complete your Lease Renewal Contract and return to our office as soon as possible and not later than **September 20, 2021**.

1. You have the option to extend the lease provisions for one to eight additional years at the same terms and conditions. If you wish to do so, please indicate same in paragraph #1 of the attached agreement by placing a check in the box next to the year in which you prefer to have your lease agreement expire, and placing your initials on the blank line next to the year. For example, if you wish to continue the lease at the same terms and conditions for three years, you would check and initial the year 2025.
2. After designating your initialed expiration date, sign the document in the space designated as "Lessor" on both the Renewal form and addendum and return the completed forms to the Division of Real Properties in the return envelope as soon as possible. When all necessary signatures are applied a fully executed copy will be returned for your records.
3. The Addendum document is attached to your Renewal form and may list problem areas in your building. By signing the attached Renewal document and Addendum, you will extend your present lease and agree to make the repairs requested. You are not obligated to complete the repairs cited until you have received a fully executed copy of your Renewal agreement. Failure to meet the stipulations made will be considered grounds to suspend rent payments until corrections are completed. **Please note that no addendums are attached to the lease renewal agreements. This action is being taken in an effort to reduce the number of requests for rate increases; however it does not relieve property owners of the need to maintain the property in accordance with the general terms of the lease agreement. This may include items such as paint and carpet when same exceed normal anticipated lifespans.**
4. Lease agreements for rental of a boat slip with land based storage agreement must include a copy of your current dock rental rate sheet attached to the lease document.
5. Do not put an address on the signature block unless the one at the top of the contract is incorrect.
