RE: Request to accept the Proposal from Integrated Engineering for the Design of a Multi-Use Path on Independence Station Road to the New County Park.

DATE: September 9, 2021

At this time, we are requesting approval of the attached proposal from Integrated Engineering for the design of a multi-use path on Independence Station Road to the New County Park. The path will connect the subdivision of Meadow Glen to the New County Park and Lincoln Ridge Park.

At this time we are requesting approval to enter into a contact with Integrated Engineering not to exceed \$96,000. This is a budgeted expenditure in our parks capital account for fiscal year 21/22.

Thank you for your consideration and I look forward to answering any questions you might have on this matter.
