RE: Request to go out to bid for Design and Re-Construction of Tennis, Pickle ball and Basketball Courts at Richardson Road Park.

DATE: March 2, 2022

At this time, we are requesting approval to go out to bid for the design and reconstruction of the tennis/basketball courts at Richardson Road Park. We are proposing reconstructing the courts to include four (4) pickle ball courts, three (3) tennis courts and two (2) full and two (2) half basketball courts from its current design of five (5) tennis and two (2) full and two (2) half basketball courts.

Over the years, the courts have deteriorated beyond repair therefore requiring a complete overhaul and renovation. This project was discussed and included in FY21 capital parks projects budget. Thank you for your consideration.
