Re: Cincinnati Bell Services Addendum #00024456 to Services Agreement #02290659

Please include the attached Cincinnati Bell Services Agreement for Fiscal Court Review.

This addendum covers contracted costs to add 2 Cisco Meraki MR44 wireless internet access points for the new Police Evidence Building on Madison Pike.

These new access points will incur a total monthly charge of \$100.26 that will be paid out of the Technology Services Communications budget line (5057-5703B), along with our other Cisco Meraki networking managed devices.

Thank you,
