RE: Accept bid from Hartford for Group Life and AD&D Benefits

DATE: March 6, 2020

Please find attached the summary of the various coverage packages for group life and accidental death and disability insurance. Through the bidding process, it was our goal to seek competitive rates and to consolidate to one company for enhanced service. Moving forward, it is our recommendation to the Fiscal Court along with our broker to proceed and accept option two from Hartford.

The total annual premium for the package is \$87,562 compared to last year's cost of \$125,778 for an annual savings of \$38,216.
