**Clarifications - Access Control and IP Camera Systems**

IP Camera System-

IPS will be installing a new S2 Camera system NetVR NVR Head End. This will allow for the connection of the:

- (2) Outdoor 360 Type IP Cameras
    1. Front Entry Parking Main Building
    2. Rear Outdoor Kennel
  
  - (1) Indoor 360 Type IP Camera Bay Area
    1. Building #2 Main Open Area
  
  - (3) Bullet Type 5MP Type Camera
    1. Rear Side parking and double door entry exit
    2. Rear Side parking single door entry exit
  - (10) Indoor Dome Cameras
    1. Indoor Domes will be located in the Kennel areas
  
  - (1) Cabling and Installation
1. Proposal is based on customer request and drawings E102
  2. IPS will provide the equipment and installation as detailed below ;
  3. Electrical Contractor is responsible for installing and terminating 120VAC, etc as required.
  4. Wiring by IPS will be properly identified and free of grounds, shorts and opens
  5. Electronic CAD files for drawings to be provided to IPS at no charge.
  6. Proposal does not include permit, fees or taxes.
  7. Proposal is based on non-prevailing wage labor rates and normal working hours:  
Monday - Friday 8:00 AM - 5:00PM.

## SCOPE OF WORK

Kenton County Animal Services Security Systems

Proposal: 37709-2-0

Date: May 24, 2023

### IPS Statement on Price Increases and Shipping Delays

Due to raw material shortages, supply chain issues, market volatility, OEM manufacturing problems and shipping delays, please note the following:

- IPS cannot guarantee pricing for any project beyond 14 days from the date of this proposal. Any quotes accepted beyond this timeframe may be subject to price increases based on current supplier pricing.
- Equipment Manufacturers are experiencing delivery delays on nearly all product lines. IPS will not be held responsible for any failure to meet project deadlines due to supply chain issues beyond our control.
