Re: IPS Contract for Glass Break security at 1840 Simon Kenton Way

Attached is IPS Proposal 33383-2-0 for labor, parts, and licensing to security controls for display cases on the second floor of 1840 Simon Kenton Way.

The display cases are used to house valuable artifacts donated into the care of Kenton County. The security proposal attached would include technology to set off an alarm if the glass cases were broken.

The total project cost for this site is \$3,657.12, and will be paid from account 5086-5329A.
