Re: IPS Contract for Additional Cameras at Independence Courthouse

Attached is IPS Proposal 27932-7-0 for labor, parts, and licensing to add two additional cameras in the Clerk auto area at Independence Courthouse.

The new cameras will be tied in to the existing access control system and security camera system currently in use at other Kenton County sites, enabling all cameras to be viewed and monitored from an off-site location and centrally managed.

The total project cost for this site is \$2,744.77 paid out of account 5080-5334.

Thank you,
