RE: Request to accept bid from Jolly Plumbing to repair failed sewer line at Richardson Road shelter house.

DATE: August 9, 2023

At this time we are requesting approval to proceed with the repair of the collapsed sewer line at Richardson Road Park shelter house. The sewer line unexpectedly failed due to the age of the pipe and infiltration of tree roots. We have obtained multiple quotes with Jolly plumbing being the best bid.

The estimated cost to repair is approximately \$29,500 and will require excavation of the concrete within the shelter house. A budget adjustment will be needed to cover this unanticipated expense with the restrooms remaining closed until completed.

Thank you for your consideration on this matter.
