

MEMORANDUM

DATE: June 11, 2024
TO: Kenton County Fiscal Court
FROM: Holly Hill, Purchasing Manager
RE: **KCECC Operational Intelligence System Solutions**

The Kenton County Purchasing Department is requesting permission from the Kenton County Fiscal Court to award the KCECC Operational Intelligence System Solutions bid to Applied Digital Solutions for the Kenton County Emergency Communications Center and the Kenton County Fiscal Court. The Purchasing Department received two (2) bids on June 4, 2024 from the following:

Applied Digital Solutions	- \$326,274.00
Interaction Insight Corporation	- \$167,908.00

The ADS system, while more expensive, provides all of the functionality we requested from a system where the Interaction system does not. Additionally, the ADS system includes an interface for RapidSOS, which the other system does not. This will allow us to fully utilize all of our equipment to its fullest extent possible at this time.

This recommendation was discussed and confirmed by KCECC Director, Ashley Hawks.
