Re: Discontinuance of Lynn Street

Judge Kris Knochelmann,

Be advised that the Road Closing Committee met on Tuesday, August 4, 2020 to consider closing the entirety of Lynn Street described as follows; from a point of intersection with Anderson Road (KY 2373) to approximately 1,049 feet Northwest to terminus. Committee members attending the virtual meeting were Nick Hendrix, Jim Shumate, and Tony Tuttle.

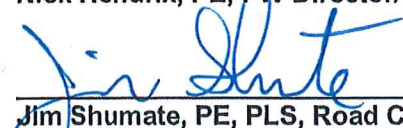

Any utility easements contained within the discontinued portion of the right-of-way will remain and be retained by the current owners of said easements.

Having reviewed the facts related to the subject discontinuance, the Road Closing Committee, in accordance with the provisions of KRS 178.070, recommends that the Kenton County Fiscal Court take such action as necessary to discontinue and close the entirety of Lynn Street as described above.
